

**Veterans Memorial
Veterans Biography Request**

The Veterans Memorial wishes to include in the permanent record of the Memorial biographical information on all veterans who are honored with a paver at the site. The biographical information can be provided in any format and to any extent information is available. The information will be transcribed and printed in a standardized format and kept in books at the Historic Courthouse for viewing by the public. Because of space limitations, the biographical information submitted will be edited to one page of text. However, all original submissions will be retained in a secondary file. Thank you for ensuring that our veterans' great legacy of service and sacrifice will endure.
