## PAVERS

#### PAVERS

Pavers are 8" wide by 20" long by 2" thick. They are made from Irridian granite from an Isle, Minnesota quarry and are heat treated to bring out the coloration, natural texture, and beauty of the granite.

The Veterans Memorial is responsible for replacing cracked or chipped granite pavers at no charge to the donor. The Memorial Board will touch up paint on lettering as needed.

#### WALL OF HONOR

Names of all veterans from Stillwater area schools who died in service of their country are inscribed on the Wall of Honor around the base of the spire. A star on the paver indicates that the veteran's name is on the Wall of Honor. Anyone may sponsor one of the Wall of Honor names. Each sponsor receives a personalized plaque. The cost of sponsorship is \$300.

### PAVER INFORMATION

#### PAVER PLACEMENT

Pavers are placed in alternating offset rows on both sides of walkways throughout the Memorial site. Placement may be requested side by side or in rows adjacent to one another. An effort has been made to make paver placement a "patchwork" of veterans of different time periods and branches of service, interspersed with the gold star pavers indicating that the veteran attended Stillwater area schools and died in time of war. All pavers are equally visible and all locations have equal status.
